5 ⁰⁰		Buddy Call - Cook	Buddy Call - Cornett	Buddy Call - Arnold	Buddy Call - Robell	
6 ⁰⁰						
7 ⁰⁰						
8 ⁰⁰						

SCALABILITY

- Barriers to you implementing this at your program
 - It's hard to block off a month for a whole class of residents
 - Curriculum design and scheduling require effort.
 - Do you have the human resources to do all of that teaching?
