

Association of  
**University Professors  
of Neurology**

# STRATEGY MOUNTAIN 2019-2021

## VISION

To shape the  
future of  
neurology as  
the voice of  
its academic  
leaders

## MISSION

To advance and strengthen the  
academic Neurology community  
through education, mentorship  
and the sharing of best practices  
among leaders in academic  
neurology

## AUPN WILL...

### *Foster*

*the development of academic neurology's educational,  
research and patient care programs*

### *Support*

*Chairs through educational offerings geared toward the leaders  
in academic neurology*

### *Serve*

*as a forum for the Chairs of Neurology to discuss academic  
interests and challenges*

# CORE STRATEGIES (2019-2021)

Promote activities that bring academic neurology leaders together and move academic neurology Departments and programs forward.

Foster ongoing development of academic neurology leaders through educational programs, mentorship, networking and online communication.

Serve as an essential resource for academic neurology leaders.

## STRATEGIC OUTCOMES

- Expand value to members by creating new opportunities for academic neurology chairs to interact and engage
- Reimagine existing AUPN activities so that they provide more value and are essential
- Promote workforce development and recruitment strategies in academic neurology
- Expand on AUPN's existing educational offerings
- Enhance AUPN's communication using technology platforms and social media
- Provide expertise to others creating curriculum development relevant to Chairs of academic neurology
- Partner with other organizations to develop educational offerings
- Ensure AUPN's mission, vision and purpose are clear and understood by members and key stakeholders
- Position AUPN as the voice for academic neurology leaders
- Expand the visibility and understanding of the value of AUPN to academic neurology chairs
- Engage and collaborate with like-minded organizations
- Identify gaps and challenges that can be addressed either through AUPN activities or collaborations with other organizations
- Leverage relations with other organizations to increase AUPN visibility and identity
- Advocate for Chairs of Neurology and their institutions
