Combination of COVID and non-COVID news relevant to the department

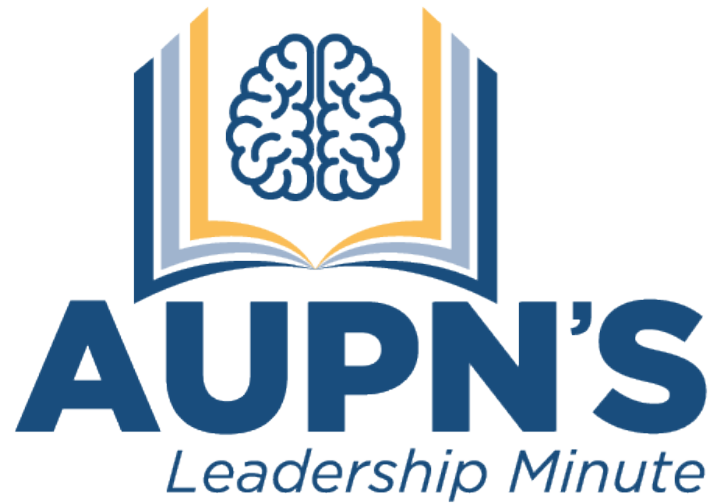

- Thoughtful balance of statistics, opinion, and advice.
- Recognizing people's efforts individually, and collectively.
- Encouraging healthy living and looking out for each other.

- Shout out to Neurology Access Agent Charles “Rees” and his manager, Amy Bourke, for ~
- *“their quick and careful response to an urgent situation today made a potentially lifesaving difference for a patient. Rees handled an extremely tough situation expertly. He knew what to say and when to reach out for help and was calm under pressure.”*

- JHU and JHHS decisions re 403b/merit increases
- Continue ALL protective precautions
- State of Department will be in April
- Telemigraine service up and running

- *Thanks to all for your extraordinary work*
