

Barbara G. Vickrey, MD, MPH
Icahn School of Medicine at
Mount Sinai

Nancy Sicotte, MD
Cedars-Sinai Medical Center

Tips for Fostering Academic Advancement in Clinician Educators

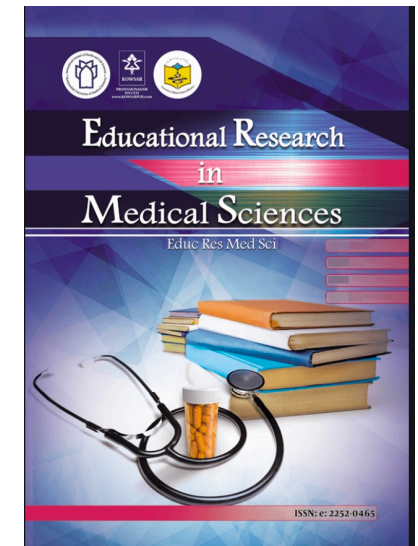

- Set the tone from the top
 - Value and prioritize the educational mission
- Provide support and incentivize
 - Protected time for educational activity
 - Develop specific, measurable productivity metrics
 - Example: number of publications with trainees
- Enhance visibility
 - Promote participation in subspecialty societies/AAN/ANA committees
 - Encourage leadership roles on specialty foundation boards

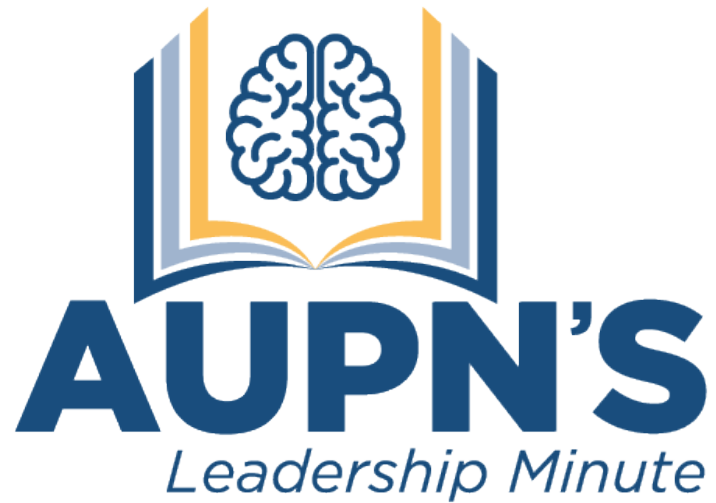

Promote Novel Scholarly Contributions

- Development of subspecialty curricula
 - Education as a research area
- Quality improvement projects
 - There are funding mechanisms available
- Resilience and adaptability
 - COVID responses for trainees
 - Promoting work/life balance
 - Identification of burnout
 - Wellness activities

Resources

- Support attendance at national meetings
- Promote educational research opportunities
 - Journal publications
 - Funding opportunities: AMA, AAMC, various foundations
- Create clinician educator mentorship program
- Develop resource database
