Dr. Benish is a general neurologist at the University of Minnesota. She is co-chief of the Neuroscience Service Line for M Health Fairview. M Health Fairview is a joint clinical enterprise between the University of Minnesota, University of Minnesota Physicians and Fairview Health System. Over 3000 healthcare physicians and advanced practice providers work through the state of Minnesota including 9 hospitals and numerous outpatient clinics. The Neuroscience Service Line represents neurology, neurosurgery, orthopedic spine, pain, and outpatient physiatry. The service line has 173 employed physicians and advanced practice providers and also works with independent physicians in the community setting quality standards.
