

The UAMS College of Medicine, Department of Neurology, is seeking a **General Outpatient Neurologist** to join our dynamic faculty. We welcome applicants at the Assistant Professor level as well as those at mid- or advanced faculty ranks (Associate Professor or Professor).

The University of Arkansas for Medical Sciences (UAMS) has a unique combination of education, research, and clinical programs that encourages and supports teamwork and diversity. We champion being a collaborative health care organization, focused on improving patient care and the lives of Arkansans. As the only academic medical center in Arkansas, we are the hub for innovative neurological care and research.

Qualifications

- MD. or equivalent.
- License to practice medicine or eligibility for licensure in Arkansas.
- Completion of an accredited Neurological Training Program
- Candidate must be Neurology board certified or board eligible

Faculty appointment, competitive salary, relocation, and generous University benefit package.

- Paid Health: Medical, Dental and Vision benefits for faculty and family
- Holiday, Vacation and Sick Leave
- Education discount for staff and dependents (undergraduate only)
- Retirement: Up to 10% matched contribution from UAMS
- Basic Life Insurance up to \$50,000
- Career Training and Educational Opportunities
- Merchant Discounts
- Concierge prescription delivery on the main campus when using UAMS pharmacy
