

The Department of Neurology at The University of Arizona College of Medicine in collaboration with Banner - University Medicine Tucson is recruiting for a board certified/eligible Pediatric Neurologists to join our growing, interdisciplinary clinical faculty team. The selected individual will evaluate and treat patients in the ambulatory and inpatient setting. Clinical Services are provided at the Banner Diamond Children's Medical Center in Tucson and medical clinics located within 15 minutes from the center. Our residency program has 24 residents per year, and an enthusiastic commitment to teaching is desired. The preferred candidate will also possess strong research interests, either in clinical research, basic science research, or both.

The qualified candidate will receive a faculty appointment to the University of Arizona consistent with their credentials and includes a generous tuition discount for the applicant and immediate family members.

Minimum Requirements:

- ABPN certified or eligible pediatric neurologist
- Experienced and graduating pediatric neurologists are encouraged to apply!

Banner Benefits:

You take care of others. Let us take care of you. At Banner, your benefits package is all about your well-being. But that's more than just basic medical, dental and vision coverage — it's everything that makes you uniquely you, from your emotional health, to your family to your satisfaction at work. So, we design your benefits with you in mind. We listen to what you have to say, offer a wide variety of competitive benefits to give you peace of mind and provide additional tools and resources to support you.
