

### **Faculty Position Description – Department of Neurology**

The Department of Neurology at the University of Utah is looking to hire two clinician-scientists at a mid-career level with a track record of extra-mural funding.

The applicant's academic rank is expected to be Assistant Professor or higher but is also dependent upon applicant qualifications. This position offers two different focus options:

- 1) Applicants may have the opportunity to focus on Motor Neuron disease with the potential to assume a leadership role in the Amyotrophic Lateral Sclerosis (ALS) Center of Excellence.
- 2) Applicants are expected to expand their expertise and add to the existing departmental strengths in the following sub-specialties: Stroke, Neuroimmunology, Systems Neuroscience, Traumatic Brain Injury, Frontotemporal Dementia, and Headache Medicine.

The University of Utah Health (U of U Health) is a patient focused center distinguished by collaboration, excellence, leadership, and respect. The U of U Health values candidates who are committed to fostering and furthering the culture of compassion, collaboration, innovation, accountability, diversity, integrity, quality, and trust that is integral to our mission.
