

The University of Toledo COMLS Department of Neurology is recruiting Neurohospitalists to join their expanding department. The position call is 7 on, 7 off. The University has operationalized a new and exciting educational affiliation with comprehensive health care network of specialized hospitals and outpatient facilities in Northwest Ohio and Southeast Michigan. Nationally recognized for excellence in education, this position includes teaching responsibilities for medical students, residents, and fellows.

The flagship academic medical center is a 794-bed hospital offering brand new state of the art inpatient facilities and is the largest acute care facility in the area. It has been named one of Healthgrades' 100 Best Hospitals in America. Outpatient services are offered in the newly built Neurosciences Center, conveniently located across from the Toledo Hospital.

Assistant or Associate Professor Rank commensurate with experience. Applicants should be board eligible or board certified in Neurology.

Please submit a letter of interest, CV, and references to:

Noor A. Pirzada, MD

Professor and Interim Chair, Department of Neurology, University of Toledo

2130 W. Central Avenue, Suite 201, Toledo, OH 43606

The Community

A culturally prosperous city, Toledo is home to a nationally renowned art museum and zoo, the Toledo Symphony, as well as the newly renovated Valentine Theater. The community is home to the Toledo Mud Hens, the Triple A affiliate of the Detroit Tigers. The Mud Hens play in their downtown stadium, Fifth Third Field, which was named as one of the top minor league baseball stadiums in the country. Toledo also offers an ECHL hockey team, NCAA sports at the University of Toledo, and an annual PGA golf tournament. Nature and outdoors lovers enjoy the close proximity to Lake Erie, the Maumee River, and 15 Metroparks. Outstanding schools coupled with affordable housing give northwest Ohio families a great lifestyle. Toledo boasts of having 33 colleges and universities within a 60-mile radius, including a medical college within the metro area. Additionally, Ann Arbor, Chicago, Cleveland, Columbus and Detroit are all within a short driving distance.
