The focus will be on general neurology cases, excluding stroke patients.

#### **Key responsibilities include:**

- Delivering high-quality inpatient neurology care and consultations.
- Educating and mentoring medical students and residents in clinical settings.
- Performing inpatient EMG as qualified.
- Engaging in telehealth services and outpatient general neurology as opportunities arise.

#### **Minimum Qualifications:**

- DO or MD medical degree.
- Board-certified or board-eligible in neurology.
- Successfully completed residency training in neurology.
- Licensed or willing to obtain a medical license to practice in Missouri.

#### **About Columbia:**

Columbia offers small-town friendliness with big city features and a high quality of life for people of all ages and interests.

- Founded on education and known as an ideal college town, its location also makes it an attractive spot for businesses and travelers. Located on Interstate 70 and U.S. Highway 63, Columbia is right in the middle of the state and the nation.
- Close to both St. Louis and Kansas City, Columbia is Boone County's largest population center offering big-city culture, activities, and resources with a low cost of living.

- Columbia is home to a variety of restaurants and entertainment venues and hosts more than a dozen cultural festivals each year.  
If you want to grow your career, continue your education, raise a family, and retire, Columbia is a good place to be!

This position is eligible for University benefits. As part of your total compensation, the University offers a comprehensive benefits package, including medical, dental and vision plans, retirement, and educational fee discounts for all four UM System campuses.
