About Capital Region Medical Center:

Capital Region Medical Center (CRMC) is a full-service health care system that encompasses a full-service acute care hospital, the area's most expansive clinic system, a state-of-the-art Cancer Program at the Goldschmidt Cancer Center, a hospital based fitness facility, home health agency and the only hospital-based inpatient rehabilitation center in the community. The hospital has 100 acute care beds and 14 rehabilitation beds. Referrals come from our 160+ employed providers who staff a system of 32 clinics in an 8-county service area of 225K people.

As of January 1, 2024, Capital Regional Medical Center and MU Health Care are unified under one brand: MU Health Care. Achieving full integration is the latest milestone in a partnership that dates back more than 25 years. With the combined strengths of community and academic medicine, we are proud to be a part of a healthier future for the Jefferson City community," said Ric Ransom, CEO, MU Health Care. "Our mission is to save and improve lives and that is what we will do through expanded access to quality health care close to home."

CRMC consistently strives to provide access to the latest in technology and advancements in health care to our patients. CRMC is the only facility in Jefferson City to offer Robotic Surgery and was the first to be a designated stroke center. CRMC teams work incredibly hard to stay abreast of the best practices in the industry to ensure efficient, effective, timely and safe care for our patients.

About Jefferson City:

Jefferson City is Missouri's state capital, a medium-sized town (approx. population - 45,000) with a big city feel. Enjoy the benefits of a larger city with cultural and community events, an affluent, well-educated population and plentiful family activities without the traffic, pollution, crime, or high cost of living.

Located 45 minutes from the beautiful Lake of the Ozarks, 30 minutes from the University of Missouri, 2 hours from St. Louis and Kansas City, and 2.5 hours from Springfield.

Jefferson City was named #2 best place to move post-pandemic by BusinessInsider.com. Rand McNally reported that Jefferson City holds the title of America's Most Beautiful Small Town.
