

Faculty (Open Rank), General Outpatient - Neurology, McGovern Medical School

[McGovern Medical School](#) at [UTHealth Houston, Department of Neurology](#), is seeking full-time experienced general neurologists, at the Assistant/Associate/Professor rank for our Southwest location. Located in the Texas Medical Center in the heart of Houston, this position is affiliated with McGovern Medical School, the 11th largest medical school in the nation. The successful candidate will participate in **100% outpatient** clinical care, research, and educational programs. Candidates must be eligible for medical licensure in the state of Texas.

Clinical responsibilities would include up to five(5) days of clinic a week providing expert clinical care for patients, including the diagnosis, treatment, and management of general neurological disorders. As an academic center, research and teaching are integral to our mission, and we welcome candidates with an interest in exploring clinical trials, or teaching opportunities with medical students, residents, and fellows. Academic rank will be commensurate with academic accomplishments and experience.

Qualifications:

- Medical degree (MD or DO) from an accredited medical school
- Completion of ACGME accredited neurology residency
- ABPN board certification or eligibility in Neurology
- Texas medical license (or eligible to be licensed)
- Excellent clinical skills, including history-taking, physical examination, and interpretation of diagnostic tests
- Strong communication skills with the ability to effectively communicate with patients, families, and interdisciplinary team members
- Commitment to providing compassionate and patient-centered care
- Ability to work collaboratively in a team-oriented environment and demonstrate a commitment to excellence, discovery, and service, have the potential to be outstanding in their field of expertise, and share an interest in fulfilling the common goals of McGovern Medical School at UTHealth Houston
